Save Child and Make Future

Chairman's **Massage**

Suraj N. Gehlot
(Founder & Chairman)

Respected donors, corporate partners, and tireless volunteers: You are the heartbeat of this journey, by turning empathy into action, you have saved lives and restored smiles. As we look toward the future, let us continue to **build a foundation where every child's vision finds its true direction.** Together, we are not just changing lives; we are securing the future of our nation.

By **developing of kids** who are in **need because today kids** are will become our future tomorrow please come forward in our form mission by supporting the future of tomorrow.

Reflecting on the past year, our mission to bridge the gap between disparity and opportunity has never been stronger. **At Child Vision Foundation,** we believe that every child is not just a member of a family, but a '**National Asset**'—a spark of potential that deserves to be fanned into a flame.

Our focus remains steadfast on a balanced model of prevention and healing. We refuse to accept a world where a child is left behind simply because of health complications or economic barriers. Whether it is a **life-saving heart surgery or a girl's right to menstrual hygiene,** we are here to ensure that circumstances do not dictate destiny.

Best Wishes & Regards
Suraj N. Gehlot

Vision Mission

Our Mission

To work towards creating a better India which provides basic health, education and Empowerment to every citizen to be a Knowledge/ Execution Partner of Schools, NGOs, Corporate, and Government agencies for development programmes across India. Building the capacity of education NGOs to achieve sustainability & scalability, thereby enabling the delivery of quality education

Our Vision

Our vision is to be a strategic leadership organisation influencing social transformation through developmental programs. To work towards creating a better India which provides basic health, education and Empowerment to every citizen.

Child's vision is to be the primary support and platform for a civil society represented by a global community of informed, empowered and committed NGOs that fully participate with the UN in decision-making and programs leading to a better world, a world of economic and social justice.

Awareness Campaign

Prevention is better than cure — this principle guided our outreach efforts during FY 2024-25. While providing essentials like food, medicines, books, and financial help brings short-term relief, long-term impact lies in empowering people with knowledge and self-reliance.

Just as teaching someone to catch fish is better than feeding them daily, we focused on educating communities to build resilience against life threatening diseases.

This progress we are arrangement on different cut and part in Maharashtra & Telangana various venues including Govandi, Dharavi Ghariwachaeada, Dombivli West, Save Gaon, Nilje, Dombivli East, and Pathardih and many more surrounding areas of Mumbai, its outskirts, and other parts of Maharashtra, Telangana, Rajasthan, Gujarat, Jharkhand etc. We also organized awareness sessions in societies, offices, schools, and government institutions, emphasizing preventive measures and healthy practices to fight diseases such as Cancer, Congenital Heart Defect (CHD), and Kidney Failure, destructive effects of tobacco.

Over this period, we conducted 24 major awareness drives, each covering 450–500 people, directly benefiting around 10,000 individuals. These initiatives included interactive sessions, distribution of informative leaflets, banners, and setup of awareness canopies, short documentaries, along with necessary survey work and logistical support.

Happy Movement

Happy Moments of Our Beneficiaries

This year, our healthcare and education initiatives created meaningful change in the communities we serve, reflected not only in numbers but in the personal stories of those we reached.

In education, over 3,000 children received support through learning resources, academic guidance, and mentorship. Many children demonstrated improved school attendance and academic performance, with several achieving important milestones. One student shared,

“I enjoy going to school now and want to continuemy studies to build a better future.”

In healthcare, more than 150 individuals benefited from medical camps, consultations, and awareness programs. Timely interventions helped many recover and lead healthier lives. A beneficiary Expressed,

“I received treatment at the right time, and today I feel healthy and relieved.”

These moments underscore the real impact of our work—where access to education and healthcare fosters confidence, stability, and hope, empowering individuals and families to build a better tomorrow.”

Art Masti

Art Masti – Promoting Joyful Learning and Well-being

This year, our NGO organized Art Masti, a creative initiative aimed at supporting the holistic development of children from underserved communities. Through engaging activities such as drawing, painting, craft work, and storytelling, children were encouraged to express their ideas, build confidence, and experience the joy of learning in a safe and inclusive environment.

This year, our NGO organized Art Masti, a creative initiative aimed at supporting the holistic development of children from underserved communities.

In addition to fostering creativity, Art Masti contributed to improving concentration, teamwork, and communication skills among children. The sessions also had a positive impact on their emotional well-being, providing them with a platform to relax, share, and connect.

During this process we do arrangement in different parts of Maharashtra & Telangana

We did the survey, finalize the list and nearly about 8000 Children and their parent were benefitted.

The initiative received an enthusiastic response from both children and the community, reinforcing our commitment to promoting quality education and better health practices for every child.

Medical Support

Medical Support – Ensuring Healthier Futures

Our Medical Support initiative continued to play a vital role in improving access to essential healthcare services for children from underserved communities. During the year, we extended medical assistance to approximately 150 children, with a total support amount of 13,47,771, ensuring timely and quality care for those in need.

The program included regular health check-ups, medical camps, diagnostic support, and necessary treatments. Children received essential medicines, nutritional supplements, and referrals for specialized care wherever required.

This timely intervention helped address various health concerns and prevented the escalation of illnesses. In addition to treatment, we focused on spreading awareness about hygiene, sanitation, nutrition, and preventive healthcare among children and their families. These efforts encouraged the adoption of healthier habits and improved overall well-being.

The impact of the initiative was reflected in better health outcomes, increased participation in educational activities, and improved quality of life for the children. Our Medical Support program reaffirms our commitment to ensuring that no child is deprived of healthcare due to financial constraints, enabling them to lead healthier and more productive lives.

Lets Talk **Menstruation**

Adolescent girls in India live in homes without toilets, and many schools lack basic sanitation facilities. Only 36% of women in India use sanitary napkins and rely on unhygienic alternatives such as old cloth, paper, plastic. Each year, 23 million girls in India drop out of schools due to inadequate menstrual hygiene facilities. Approximately 63 million of the adolescent girls are unaware of menstruation prior to menarche.

At Child Vision Foundation, we are dedicated to transforming the lives of poor and needy orphan children in slums and government schools through our comprehensive menstrual hygiene program. By distributing sanitary pads and hygiene kits, we ensure that these young girls can attend school with dignity and confidence. Our mission extends beyond mere distribution; we empower girl students to become leaders and advocates for hygiene in their communities. Through education and awareness campaigns, we are breaking down societal taboos and fostering a culture of health and respect. Join us in our journey to promote menstrual hygiene and create a brighter, healthier future for all.

Education Support

Educational Support – Empowering Young Minds

Our Educational Support initiative continued to expand access to quality education for children from underserved communities across India. The program primarily reaches children who are orphans, from single-parent families, or living in economically disadvantaged conditions.

During the year, we supported The initiative provided essential learning resources, including school supplies, uniforms, and study materials, along with academic assistance through remedial classes and mentoring support. These efforts helped bridge learning gaps, improve academic performance, and reduce dropout rates.

Recognizing the challenges faced by these children, the program also focused on emotional encouragement and building self-confidence. A supportive and nurturing environment enabled them to stay motivated and engaged in their educational journey. Our Educational Support program has contributed to improved school attendance, better learning outcomes, and overall development. By addressing both academic and emotional needs, we remain committed to empowering vulnerable children to build a brighter and more secure future. approximately 1,800 children, with a total investment of 9,81,655, enabling them to continue their education with greater stability and confidence.

Disabled Support

Disability Support – Enabling Equal Opportunities

Our Educational Support program has contributed to improved school attendance, better learning outcomes, and overall development. By addressing both academic and emotional needs, we remain committed to empowering vulnerable children to build a brighter and more secure future.

The program offered specialized assistance, including physiotherapy, mobility aids, vision and hearing devices, and customized learning materials, helping children overcome barriers. The program offered specialized assistance, including physiotherapy, mobility aids, vision and hearing devices, and customized learning materials, helping children overcome barriers. Through awareness campaigns and community workshops, we also focused on promoting inclusion, reducing social stigma, and sensitizing communities to the rights and needs of children with disabilities.

The initiative has made a significant impact, enabling children to gain greater independence, participate actively in learning, and build confidence. By addressing both practical and emotional needs, our Disability Support program continues to ensure that every child, regardless of ability, has the opportunity to reach their full potential.

Festivals Celebration

Our Festivals and Celebrations initiative brings happiness, inclusion, and a sense of belonging to children and families from underserved communities.

This year, we celebrated a wide range of occasions—including Independence Day, Republic Day, Holi, Diwali, New Year, Christmas, Eid—as well as the birthdays of our generous donors, reaching approximately 2,500 families across India, with a total expenditure of around Rs.2,50,000.

Through lively events, games, cultural performances, and festive treats, children experienced joyful and memorable moments that fostered emotional well-being, social bonding, and community spirit. Celebrating donor birthdays alongside festivals strengthened the connection between supporters and beneficiaries, creating a culture of gratitude, sharing, and mutual care.

These celebrations not only brought smiles but also reinforced values of unity, inclusivity, and togetherness. By making every festival and special occasion accessible to children from disadvantaged backgrounds, we continue to nurture happiness, cultural awareness, and a sense of hope within the communities we serve.

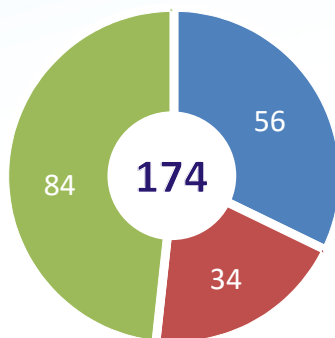

Beneficiary View

During the reporting year, the NGO continued its commitment to improving the lives of beneficiaries through healthcare and educational support programmes. The organisation successfully reached individuals and families by providing timely assistance, ensuring access to essential services, and promoting overall well-being
