I hereby request you to kindly help me out in meeting the expenses of my Child towards his/her Education. We are very poor and can't afford the expenses of education of my child. I have to say that I have no objection with any one of the organisation or from any employee of the if they are publishing the Photo and name of my child in any way for generating donations. That I will have no obligation if the organisation raises more money than that of my requirement. That I will visit the organisation if there is any requirement of my child or mine at any moment of time.
